

## Full Time Alarm Technician Assistant

Security Zone Inc. is a Connecticut based alarm company that services the 5 boroughs of NYC (NYC, Brooklyn, Queens, Bronx, and Staten Island) New Jersey and Connecticut. We are looking for a full-time alarm technician assistant.

**Security Zone is looking for an enthusiastic, hard-working individual with good problem solving skills that has the ability to be detail oriented.**

### **Responsibilities and Duties**

All job applicants must to have the ability to ASSIST a technician to complete the following:

#### **Installation of intrusion systems for residential and commercial locations**

-Includes but is not limited to: wire runs, mounting alarm panels, mounting window and door contacts, physical ability to climb ladders and carry up to 50lbs.

#### **Installation of surveillance systems for residential and commercial locations**

-Includes but is not limited to: wire runs, mounting cameras, install Digital Video Recorders and/or Networkable Video Recorders, physical ability to climb ladders and carry up to 50lbs.

The applicant will be required to clean-up installations sites, carry equipment/tools, organize and maintain equipment in work trucks and drive to work sites, and write-up all work orders.

### **Qualifications and Skills**

There is no experience required. We are willing to train motivated applicants and offer the opportunity for growth.

The job does require a CLEAN VALID driver license, and Security Zone will provide a vehicle to commute to job sites.

All prospective employees will be subject to a background check.
