

Full Time Alarm Technician

Security Zone Inc. is a Connecticut based alarm company that services the 5 boroughs of NYC (NYC, Brooklyn, Queens, Bronx, and Staten Island) New Jersey and Connecticut. We are looking for a full-time alarm technician with a minimum of 1-year experience.

Security Zone is willing to train applicants that have a basic knowledge of the alarm business, and is looking for an enthusiastic, hard-working individual with good problem solving skills that has the ability to be detail oriented.

Job Qualifications:

Job applicants should have the ability to complete the following:

Installation of intrusion systems for residential and commercial locations

-Includes but is not limited to: wire runs, mounting alarm panels (burglary / fire, mounting window and door contacts; physical ability to climb ladders and carry up to 50lbs.

Installation of surveillance systems for residential and commercial locations

-Includes but is not limited to: wire runs, mounting cameras, install Digital Video Recorders and/or Networkable Video Recorders, fire alarm sirens and access control systems; physical ability to climb ladders and carry up to 50lbs.

Job Qualifications that are not required, but are a plus:

Special attention will be given to applicants who have the following qualifications:

- Knowledge of NAPCO and/or Silent Knight systems
- Knowledge of programming alarm and/or surveillance systems

The job does require a CLEAN VALID driver license, and Security Zone will provide a vehicle to commute to job sites.

All prospective employees will be subject to a background check.
